

## Brian Ostrem – BIO

### Specialty / Expertise

Brian Ostrem is a business consultant with over 27 years of professional management, marketing and commercial real estate experience. As an associate with Lee & Associates Idaho, Inc, Brian specializes in medical and office tenant representation.

Brian is also a sales trainer and speaker of classic business habits and sales effectiveness through his coveted “Habit to Hero” business seminar. Brian’s work has been featured in Boise’s very own Idaho Business Review and The Post Bulletin in Rochester, Minnesota. Brian has also lead many medical speaking engagements with the Ada County Medical Education Consortium at both Saint Alphonsus and Mercy Medical Hospitals. Brian also participated as a lead speaker at the Idaho Health Care Association Annual Convention.

Brian’s expertise in medical and office tenant representation will provide confidential client based focus on need, value and long term client objectives.
